Hello, the following Small Mine Plan is complete and the Division is ready to approve. The Phase 1 of this project is 2 acres, therefore the bond will be \$5,900 for the first acre and \$3,700 for the additional acre for a total of \$9,600. This amount is good until 2010. If Mr. Cox chooses, he can escalate until the bond to 2012, for \$10,300.
